## SUMMARY

Results-driven Front-End Developer with a passion for crafting visually appealing and user-centric web experiences. Proficient in HTML, CSS, JavaScript, and React.js, with a strong foundation in responsive design and web accessibility. Adept at translating design concepts into functional, high-performance websites and applications. Collaborative team player with excellent problem-solving skills and a commitment to staying up-to-date with the latest industry trends and technologies. Ready to leverage my skills and creativity to contribute to dynamic web projects and deliver exceptional user interfaces.

## SKILLS

Front-End Development (HTML, CSS, JavaScript). Bootstrap. React.js.

## EXPERIENCE

Front-End Development Intern (Junior Front-End Developer) | Rework Technologies | Nigeria | March 2023 - Present

- Assist in designing and implementing responsive user interfaces using HTML, CSS, and JavaScript.
- Work on improving user experiences through the implementation of modern front-end development best practices.
- Participate in code reviews and receive constructive feedback to enhance my coding skills.
- Attend training sessions and workshops to further develop my proficiency in front-end technologies.

## PROJECTS

E-commerce Website Development | Rework Technologies | June 2023 - July 2023

- Designed and developed a fully functional E-commerce website comprising five key pages: Home, Shop, Product Details, Cart, and Signup.
- Integrated an API to dynamically fetch and display product data, enhancing the user experience by providing real-time information.
- Implemented interactive shopping cart functionality, enabling users to seamlessly add and remove products from their carts.
- Leveraged React.js, a robust front-end JavaScript library, to create a responsive and user-friendly interface that adapts effortlessly to various screen sizes and devices.

## EDUCATION

Bachelor of Science in Chemistry | Federal University Of Kashere Gombe State. | Nigeria | 2024

## CERTIFICATIONS

Front-End Development Certificate | Rework Academy | 2023

- My Front-End Development Certificate is not just a qualification but a testament to my readiness to contribute effectively to front-end development projects and bring value to your organization.

## COURSEWORK

Front-End Web Development | Rework Academy | HTML, CSS, JavaScript, Bootstrap and React.js. | 2023

- I gained proficiency in front-end development, including HTML for web content structure, CSS for responsive design, and JavaScript for interactivity. I also learned to create user-friendly interfaces. Additionally, I developed web applications with React.js, utilizing its component-based architecture and state management for efficient data handling.
